

NEEDLE SSS

MICRONUTRIENT & ROOT ENHANCER

ROAD TO THE
HIGHEST QUALITY

Formulation : Fine granular
Net weight : 15 kgs
Manufactured by : Konishiyasu Nougyo Shizai Co. , Ltd.

PRE-AMBLE

NEEDLE SSS is a special formulated product that has been use for over 40 years in Japan. It is a combination of micronutrients and root stimulant. **NEEDLE SSS** provides double mode of actions for supplying micronutrients as well as root enhancer. It can be integrated into manuring program in turf during hollow tyning (coring) and as a monthly program. In the area where turf facing poor root development due to nematodes infestation, **NEEDLE SSS** will stimulate the production of new root to replace the damaged.
